

RESOLUTION COMMITTEE RECOMMENDATIONS

The following resolutions that were adopted by clubs and/or endorsed by a District. Each resolution has been reviewed by the Resolutions Committee and in some cases amendments have been made to better represent the intent expressed in the resolution, and to respond to updated information.

ENVIRONMENT

2026-01 MITIGATING TRANSBOUNDARY WASTEWATER POLLUTION AFFECTING U.S. COASTAL COMMUNITIES

Submitted by: GFWC Southern District and 5 member clubs - amended CFWC Resolutions Committee

WHEREAS, the Tijuana River system, which flows from Tijuana, Mexico into Southern California, regularly discharges untreated sewage, industrial waste, and toxic runoff into the Pacific Ocean near Imperial Beach, California, resulting in severe pollution of coastal waters; and

WHEREAS, this persistent cross-border wastewater crisis has led to thousands of beach closure days over the last decade, serious public health concerns, environmental degradation, and negative economic impacts for residents and visitors alike; and

WHEREAS, while some federal funding and binational cooperation exists through the International Boundary and Water Commission (IBWC), it has been insufficient in preventing these ongoing discharges, and further long-term infrastructure and policy investment is urgently needed; therefore, be it

RESOLVED, the California Federation of Women's Clubs urges the United States Congress to sustain funding for cross-border wastewater infrastructure and pollution mitigation through agencies such as the U.S. Environmental Protection Agency (EPA) and the International Boundary and Water Commission; and be it further

RESOLVED, the California Federation of Women's Club encourages its member clubs to educate their communities, advocate for binational cooperation on this issue, and support legislation and policy actions that aim to prevent transboundary sewage pollution impacting the ocean, water quality, and public health.

2026-02 SUPPORT OF SUSTAINABLE GROUNDWATER MANAGEMENT

Submitted by: San Joaquin Valley District - amended CFWC Resolutions Committee

WHEREAS, the Kern County Subbasin is a critical source of groundwater for communities, agriculture, and ecosystems throughout the region, and its long-term sustainability is essential for the health, prosperity, and resilience of current and future generations; and

WHEREAS, the California Department of Water Resources (DWR) has identified priority deficiencies in Groundwater Sustainability Plans (GSPs) submitted by Kern County Subbasin Groundwater Sustainability Agencies (GSAs), requiring further action to ensure proper groundwater management under the Sustainable Groundwater Management Act (SGMA); and

WHEREAS, failure to adequately address groundwater overdraft, deteriorating water quality, and land subsidence poses serious risks, including failed wells, environmental harm, damage to infrastructure, and diminished aquifer storage capacity critical for adapting to prolonged droughts and climate change; therefore, be it

RESOLVED, the California Federation of Women's Clubs supports policy for all Subbasin Groundwater Sustainability Agencies in the state and enhance their Groundwater Sustainability Plans, and protect vital groundwater resources for the benefit of communities, farms, and the environment and advocates for strong, science-based groundwater management that preserves California's water future for all.

HEALTH AND WELLNESS

2026-03 SUPPORT FOR VOLUNTARY INCLUSION OF THE NATIONAL DOMESTIC VIOLENCE HOTLINE ON SINGLE-USE FEMININE HYGIENE PRODUCT PACKAGING

Submitted by: Coalinga Woman's Club - endorsed by San Joaquin Valley District and 2 member clubs -amended CFWC Resolution Committee

WHEREAS, domestic violence is a widespread and ongoing public health crisis in the United States, with 1 in 3 women experiencing physical violence by an intimate partner in their lifetime, and

WHEREAS, the National Domestic Violence Hotline (1-800-779-SAFE / www.thehotline.org) offers free confidential support and resources to individuals experiencing abuse or seeking safety and assistance, and

WHEREAS, people experiencing domestic violence are often isolated from support systems and may have limited opportunities to access resource information, and

WHEREAS, single-use feminine hygiene products are used regularly and privately, presenting a discreet and accessible opportunity to life-saving resources for victims and survivors of abuse without significant cost to manufacturers; therefore be it

RESOLVED: the California Federation of Women's Clubs (CFWC) supports and encourages the voluntary inclusion of the National Domestic Violence Hotline contact information on packaging for all single-use feminine hygiene products in the United States; and be it further

RESOLVED: the CFWC encourages its member clubs to raise awareness about this issue and to support manufacturers and companies who chose to participate in this voluntary effort; and be it further

RESOLVED: the CFWC will work in collaboration with like-minded non-profit organizations, advocacy groups, and industry leaders to promote this action as a means of increasing access to domestic violence resources and supporting, and urges the General Federation of Women's Club to adopt this policy resolution.

CIVIC ENGAGEMENT

2026-04 OPPOSE THE SALE OF PUBLIC LANDS IN CALIFORNIA AND THE UNITED STATES

Submitted by: CFWC Resolution Committee, based upon a resolution submitted by GFWC Mount Diablo District

Whereas: public lands in California and across the United States are held in trust for all Americans and provide vital environmental, recreational, cultural, and economic benefits, including clean air and water, wildlife habitat, and outdoor opportunities for future generations; and

Whereas: the sale or transfer of these lands to private entities undermines public access, increases the risk of environmental degradation, and may lead to the exploitation of natural resources without adequate public oversight or accountability; and

Whereas: the California Federation of Women's Clubs has a longstanding legacy of conservation advocacy, including its historic role in preserving Muir Woods National Monument, and remains committed to protecting public lands for the enjoyment and benefit of all people;

Resolved: the California Federation of Women's Clubs strongly opposes the sale or transfer of public lands in California and throughout the United States to private ownership; and

Resolved: the California Federation of Women's Clubs urges state and federal lawmakers to support legislation and policy measures that protect public lands and ensure their continued public ownership, accessibility, and environmental stewardship.

2026-05 PROHIBIT TRANSGENDERED MALE PARTICIPATION IN GIRL'S AND WOMEN'S SPORTS

Submitted by: Shasta District - amended CFWC Resolution Committee

WHEREAS: biological males have an abundant supply of athletic resources and facilities equal to, or in some cases, better than female athletes; and

WHEREAS: female athletes have fought and worked to achieve a fair and equitable playing field in the sporting world at all levels of competition via the passage of Title IX legislation, and

WHEREAS: the California Federation of Women's Clubs was created by women, is sustained by women, and asks women to lead the way to promote fairness and equity, therefore be it

RESOLVED: the California Federation of Women's Clubs urges its members, clubs, and districts to support legislation which prohibits biological males from participating in women's sports.

2026-06 RECOGNIZING THE INDIGENOUS HERITAGE OF CALIFORNIA

Submitted by: Ojai Valley Woman's Club - endorsed by Tierra Adorada District and 3 member clubs-amended CFWC Resolution Committee

WHEREAS: California was originally inhabited by indigenous people and the Women's Clubs of California have served in communities where these people traditionally lived, and

WHEREAS: colonization by immigrants resulted in land seizure, subjugation, relocation, and genocide of many of these early inhabitants, and

WHEREAS: a Land Acknowledgement is a formal statement that recognizes and respects indigenous people as the traditional stewards of this land we reside on and the enduring relationship that exists between these people and their traditional lands, and is an expression of gratitude and appreciation, therefore be it

RESOLVED: the California Federation of Women's Clubs encourages its members and the community at large to think about what it means to occupy space on indigenous peoples' land, and be it further

RESOLVED: the California Federation of Women's Clubs feels it is appropriate for Clubs in California to approach and work together with elders from the local indigenous communities to provide learning opportunities for individuals who may have never learned the name(s) of the people who called, and still call, this land home, and be it further

RESOLVED: the California Federation of Women's Clubs encourages its constituent clubs in the state to voluntarily create a Land Acknowledgement specific to their location and community to be read at the start of every meeting
