

GFWC California Federation of Women's Clubs Dollars for Delegates

Dollars for Delegates is a program implemented to encourage members who would not financially be able to represent their districts and/or clubs as delegates at the CFWC convention. The stipend would be a maximum of \$200.00 annually. This would automatically eliminate members who are chairs, committee members or who receive at least \$200.00 from the state, their respective district or club. The total amount awarded in one year will be limited to \$2,600.00. Besides donations, one-half of the interest earned from our Edward Jones CD's is earmarked for this cause. The application will be reviewed by the Finance Team. You will be notified. Check will be made available to you on Saturday evening of the Convention.
