✂ _____

Instructions & Further Information

Make check payable to: CFWC

Send Order Form and Check to: Marcia Willett, 19930 Villa Medici, Yorba Linda, Ca. 92886

Orders will be filled and sent within 72 hours of receiving your check and form. You will receive an email notification once your order has been processed and sent.

Be sure to get permission from the business owner or manager before installing decals.

Place decals on the back of the restroom stall doors. This helps ensure privacy.

According to the manufacturer decals can be removed without damaging the surface. If residue or stickiness remains it can be removed with warm soapy water or adhesive remover such as Goo Gone.

Suggested businesses to contact: hair and nail salons, restaurants—especially fast food and coffee shops—gas stations, convenience stores, highway rest stops, gyms and any other business that has restrooms open to the public. If your club is a member of your local Chamber of Commerce, make a presentation about the project and ask the business community to participate by allowing you to put up the decals.

Why are we doing this: The Just One program is an awareness campaign to help those who are experiencing domestic violence, sex trafficking or any form of physical or emotional abuse and do not know where to turn for help. The phone number on the decal connects the caller to the National Domestic Violence Hotline which is attended 24/7. They have a national database to advise callers from any state and help them get in touch with a local source who can provide further assistance.

Questions? Call, text or email Marcia Willett at **714-307-6042** or marciaewillett@gmail.com
